# Mission of the month

## Local Mission

This month, as we start the new school year and some of our ministries restart, we would like to focus on praying for local missions.

Please pray for Footprints, that we would be able to build relationships with families in the local community and share God's love with them.

Also pray for the leaders and children as Quest, Sunday school and Creche continue. Pray for everyone to grow in their knowledge and love of God.

Going forward we are making plans for a Light Event (around October 31st) and for Christmas services. Please be in prayer for these events and speak to Steve or Cliff if you'd like to be involved.

Please pray for the local schools and specifically for the work of Youth for Christ and TLG in our area. If you are interested in being involved with TLG (working with one pupil for an hour a week over the school year) please speak to John or Jackie.

Please also pray for Safe families as they become more known in the town and as the need for befrienders grows. Again if you are interested please speak to the Mitchell's or Frey's who would love to tell you more.
